## INTRODUCTION

The college is committed to assisting students in their studies to achieve their academic goals. Academic assistance and support are offered to all students to ensure professional learning outcomes. Awards and scholarship provide to the best outgoing and University rank holders to motivate them.

College scholarships and grants are readily available to support students and these scholarships and grants are available to increase their educational status. Various scholarships are available, these scholarships vary in terms of student eligibility and area of study.

The Policy aims to assist in identifying students who require academic support and appropriate interventions are implemented to enable such students to raise their full potential. The scope of the Policy includes students in all programs, including undergraduate and postgraduate.
