Course Description:

The Chief Nurse Fellows (CNF)

Programme is a 12 month course available to nurses, midwives and allied health

professionals who have a level 6 or level 7 academic qualification. The course aims to

engage these healthcare professionals

with research, education and improvement

by offering participants the opportunity

conduct research that helps to shape

practice alongside their clinical role. Chief

Nurse Fellows will be offered a range of

opportunities and activities over the 12

month programme to enable them to

achieve their learning outcomes, for

example: one day a week to dedicate to

research activity, regular Action Learning

Sets with CNF peers, coaching

opportunities, leadership learning sessions,

attendance on the UHSussex Evidence

Based Practice course alongside external

learning opportunities to name but a few.
