DETAILS OF ANIMAL HOUSE

DESCRIPTION OF ANIMAL HOUSE

Amala Cancer Research Centre Society is an independent research organization registered in 1984 under the Travancore-Cochin Literary, Scientific and Charitable Societies Act, 1955 with the motive “to undertake scientific research in the area of cancer and other related branches of medical sciences both basic and applied fields”. The Centre has been recognized by Dept. of Scientific and Industrial Research (DSIR). The Society has approval under 35(1) (ii) of the Income Tax Act, 1961.

The Centre is managed by a **Chairman, Managing Director, Research Director and Associate Directors** and the research work co-ordination is by the **Research Director under the guidance of Research Advisory Council (RAC)**. The control and administration are vested with the Executive Committee and Governing Body. These bodies consist of eminent scientists, educationalists, administrators and social activists from several Institutions and outside Kerala.

The Centre has well equipped. Biochemistry, Molecular biology, Immunology, Radiobiology and Microbiology laboratories to carry out outstanding research studies in cancer. Central funding agencies such as Indian Council of Medical Research (ICMR), Department of Science and Technology (DST), Council of Scientific and Industrial Research (CSIR), Dept. of Biotechnology (DBT), Board of Research in Nuclear Sciences (BRNS), National Medicinal Plants Board (NMPB) and Kerala State Council for Science, Technology and Environment (KSCSTE) have provided project grants to the Centre from 1984 onwards. The Centre with its remarkable facility and expertise in cancer research has shown its excellence since its inception.
