2023 is marked as a remarkable year on the history of Amala College of Nursing due to several awards for excellence and achievements. Amala College of Nursing has become the first nursing college in **India** to get **A grade** in NAAC accreditation in the first cycle. Report of College is described under five headings.

I. AMALA GRAMA

a. Achievements

Students Union and Staff together started a Karuthal fund for community programmes by donating one rupee per day. Free Onam kit distribution was done using karuthal fund in the adopted village in Elavally Panchayath. We organized several health awareness programmes, Anganwadi nutrition demonstration and school health programmes. Students and NSS volunteers participated in Swatch Bharat programmes, Medical Camps, Palliative

Care Home Visits, Blood donation camps and hair donation for cancer patients. Conducted health surveys in panchayat and community research programmes. Eco club members planted trees inside and outside Amala Campus. Our NSS Unit became a Government funded unit from this year.

b. Challenges

Shortage of fund and transportation facilities

c. Future Plans

Starting Community outreach programme for giving nursing care for needy people in community and discharged patients from Amala at their doorstep. Also aimed at more involvement in National Health Programmes.

II. AMALA SASTHRA

a. Achievements

Innovation Cell became very active with idea day celebration, innovative projects and patent application. Four students Eldhose Reji, Aleena Mannanal Gigi, Aleena Shaji and Akhilamol Thomas secured state first among all colleges including engineering colleges for their innovation, pocket sterilizer in the Darsana Ignite students project at IIT, Palakkad. Amala College of Nursing has become state second in the YIP registration. Also we are shortlisted for a project under Kerala Start up mission. We have developed a nursing Robot in technical collaboration with Christ Engineering College.

- Two students Surya R and Delna Maria Davis received district selection and scholarship for their innovative projects, chemical detector caposa and antigen detection mask in the Young Innovative Project by State Innovation Council.
- Mrs. Rinu David, Innovation Cell head and students applied for a patent with the help of CUSAT. The research centre of college is having 4 teachers with PhD and 14 PhD Scholars. 11 teachers are perusing their PhD in different universities.
- Research endowment fund has started with 5 lakhs rupees deposit by Alumni. Consultation service for other colleges were started. Number of publications by teachers and students increased as shown below
