WORLD ENVIRONMENT DAY

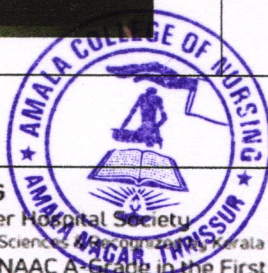

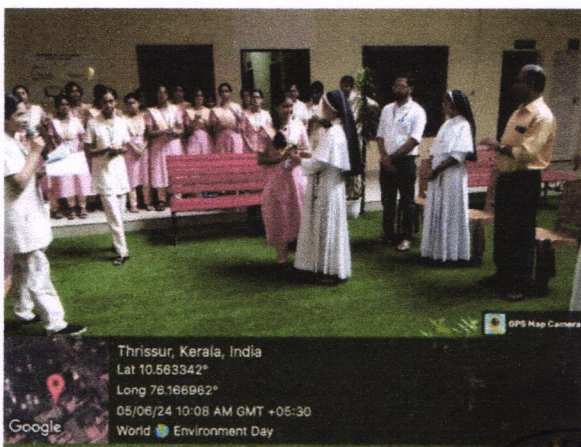

World Environment Day was celebrated with enthusiasm and dedication on June 5, 2024. The event, organized by the NSS and Eco Club, featured a variety of activities aimed at promoting environmental consciousness and sustainable living..

Objectives:

1. To raise environmental awareness and promote sustainable practices within the community.
2. To encourage the use and cultivation of medicinal plants for health and wellness.
3. To engage students and staff in practical environmental conservation activities.
4. To educate the community on the importance of environmental protection through presentations and activities.

A theme presentation was done by the 4th Year BSc Nursing Students of Amala College of Nursing, Thrissur. The presentation covered various aspects of environmental conservation, the significance of World Environment Day, and practical steps individuals can take to contribute to a healthier planet. Students and staffs of Amala College of Nursing took part in a cleaning drive.

The medicinal plant exchange was well-received, fostering a greater appreciation for the benefits of medicinal plants. Medicinal saplings were distributed among 25 house holds. The cleaning drive demonstrated a strong commitment to practical environmental conservation. Overall, the event inspired many to take proactive steps towards preserving our environment.

NATIONAL POLLUTION CONTROL DAY

On December 4, 2023, Amala College of Nursing, Thrissur, organized a meaningful event in observance of National Pollution Control Day. The day was marked by a series of activities aimed at raising awareness about the importance of pollution control and environmental conservation.

Objectives

- To raise awareness among students and faculty about the importance of pollution control and its impact on human health and the environment.
- To promote a culture of environmental consciousness and responsibility among college students
- To empower students to take proactive measures to reduce pollution and contribute to environmental conservation efforts

The event commenced with a theme presentation by second-semester students during the morning assembly.

(Certificate No. 18-16/2893-INC)

The presentation focused on educating the college community about the various types of pollution, their causes, and the adverse effects on human health and the environment. Students highlighted the urgency of adopting pollution control measures and sustainable practices to mitigate the impact of pollution on our planet.

Following the theme presentation, all batches of the college participated in a pledge awareness rally. Led by Vice Principal Sr. Litha Elizabeth, students marched through the college campus holding banners and placards with powerful slogans advocating for pollution control and environmental preservation. The rally aimed to mobilize students and faculty members to pledge their commitment to adopting eco-friendly habits and reducing their carbon footprint.

The pledge awareness rally was officially flagged off by Vice Principal Sr. Litha Elizabeth, who emphasized the importance of collective action in combating pollution and protecting the environment. Her inspiring words encouraged participants to take responsibility for their actions and become agents of positive change in their communities.

The National Pollution Control Day celebration at Amala College of Nursing, Thrissur, was a resounding success, thanks to the active participation and enthusiasm of students, faculty, and staff.
